Confirmation of analysis

Product: Premium L-threonate Magtein 90cps
5 bottles, LOT: 2026082099, MHD: 31.08.2028

Product group: food supplement

Begin/end of analysis: 30.09.2026 / 09.10.2026

The parameters listed below were analysed in the named sample.

This certificate refers to the certificate of analysis: 26318590-004

Lead	Total Plate Count
Cadmium	Yeasts
Mercury	Moulds
Arsenic	Enterobacteriaceae
Pressure pulping	

Regarding the determined levels of lead, cadmium and mercury, the sample complies with the maximum levels for food supplements laid down in Regulation (EU) 2023/915 (Cat. 3.1.28; 3.2.21; 3.3.2).

This confirmation was generated automatically and is valid without signature.

The confirmation of analysis may be published in an unchanged, unabridged version and refers exclusively to the test report mentioned. This confirmation of analysis does not replace the test report. The GBA test report may not be published without the express written consent of the GBA Group, nor may excerpts of it be reproduced without permission. GBA decision rules can be seen in the general terms and conditions. Any liability arising from the unauthorized use and in particular publication of this confirmation is excluded.
