Confirmation of examination

On behalf of the company MediGruen Naturprodukte GmbH we have examined the product Zinkbisglycinat 60Kapseln / Dose (Mixture of 6 samples) under our test report number 26656248 at 11.06.26 for the following parameters:

Batch: 2026261810

Exp.Date: 30.07.2028

- Aerobic mesophile microbe count /g
- Enterobacteriaceae /g
- Escherichia coli (qualitative) /1g
- Yeasts /g
- Moulds /g
- Salmonella /25g

- Zinc (Zn)
- Glycine

Note:

The declared zinc content complies with the specified tolerance limits.

No tolerance limits have been established for the declaration of glycine; therefore, this parameter cannot be conclusively assessed.

The sample is not objectionable with regard to the tests performed at the time of testing. Concerning to the executed analysis the examined sample is marketable.
